# COURSES

Our courses give the opportunity to explore different areas of music and find one's own niche. With our interactive learning tools, you'll stay engaged and motivated as you work towards your unique goals at your own pace. Our tailored curriculum is designed to meet the needs of students of all skill levels, ensuring that they will get the support and guidance you need to succeed.

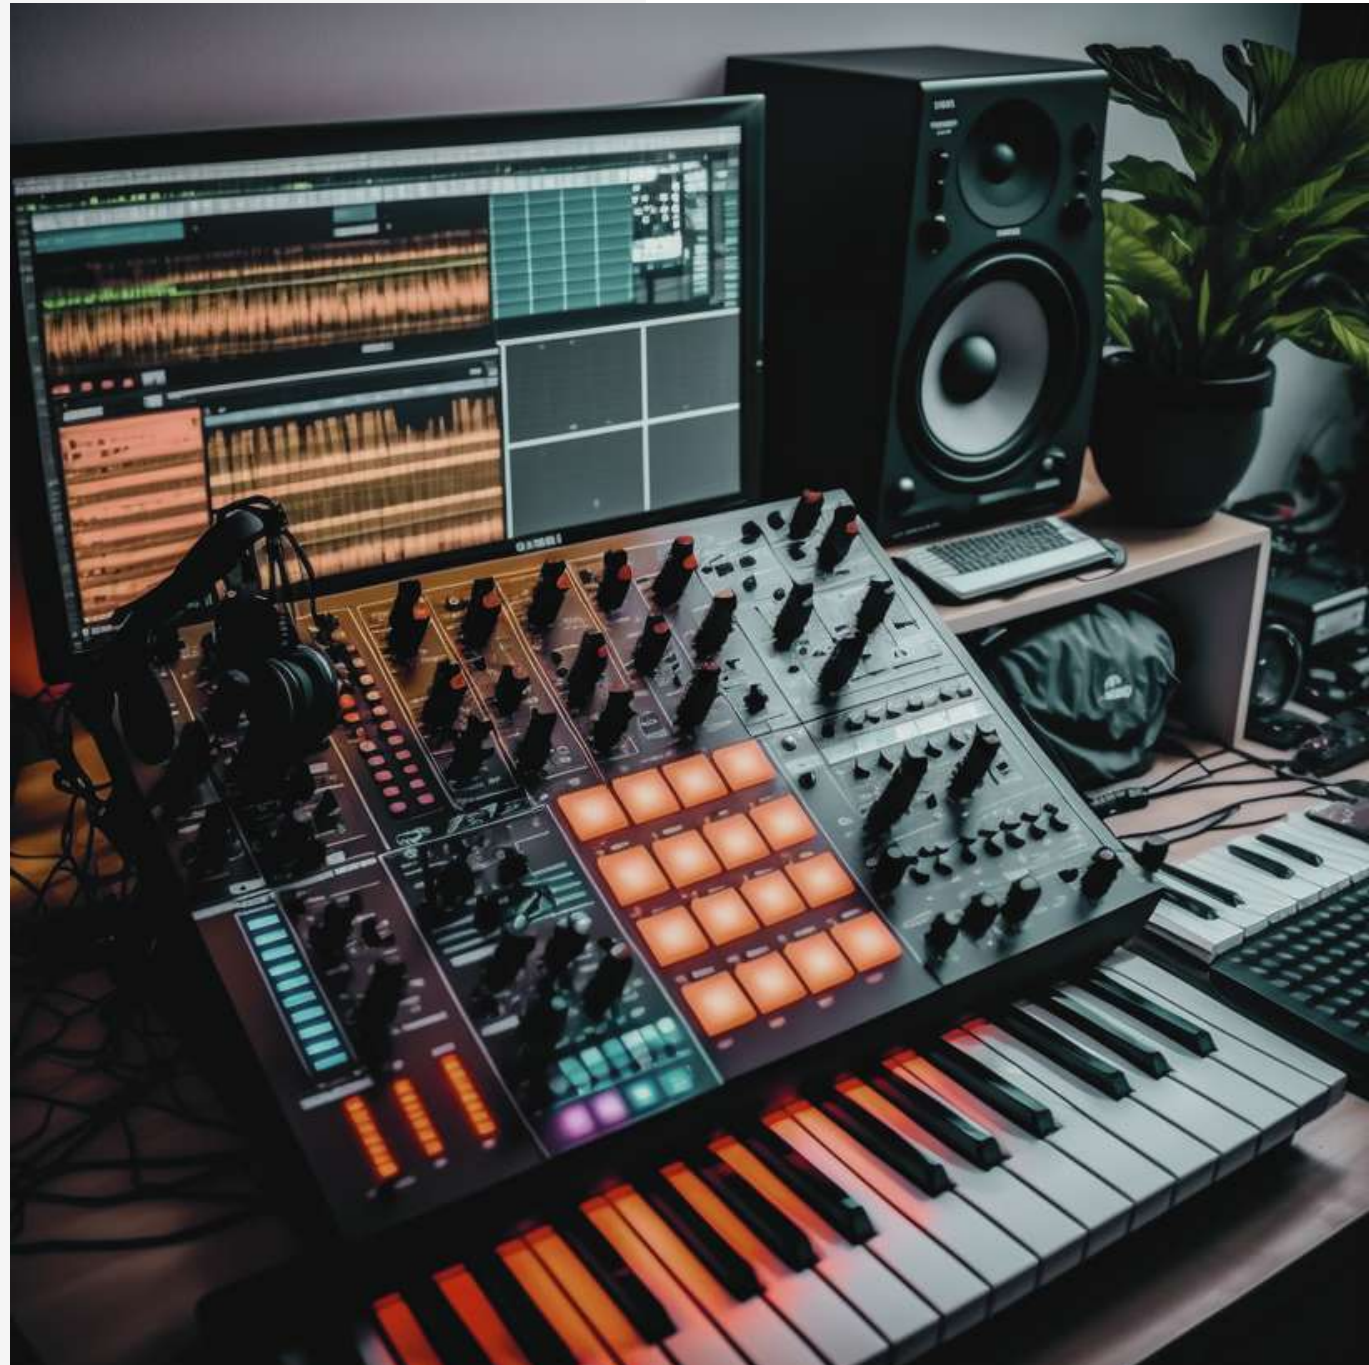

# Vocal Choir Course

This course is designed to help you develop your voice and build your confidence as part of a dynamic and supportive community of singers.

# Music Production Courses

Learn Fundamentals of music production, basic music theory, sound-design techniques, mixing, mastering and industry-standard softwares. Gain hands-on experience with recording, editing, and mixing tools, and receive valuable feedback from experienced producers.

Develop the necessary skills and know-how to create high-quality music efficiently.

# The Songwriter's Course

From crafting lyrics to composing melodies to arranging and producing your songs. Our tailored curriculum is designed to meet the needs of songwriters of all skill levels, with a focus on helping you develop your own unique style and sound.

# Band Camp Course

Collaborating with other musicians is a crucial aspect of music education. The process of forming a band, honing the ability to enhance the sound of others, and the inspiration that comes from playing and improvising together, all make for an enriching experience. Our Band camp program is now available at the offline center , exclusively for students in Bangalore who like to form a band or explore playing music together .

**For the young  
explorers**

# The Explorer Course

A program that focuses on developing musical intelligence in children in the formative years.

We provide a supportive and varied musical environment that encourages exploration, creativity, and collaboration to develop a lifelong love of music and the skills to express themselves through it.

# Music lessons

## At-center lessons

From private instrument lessons to group classes in music theory and composition, we offer something for everyone.

## Online music lessons

Our online classes offer a dynamic and interactive learning experience that you can access from anywhere in the world, at any time.
